

# Technology Fair Poster Contest

**Create this year's winning entry!**

**Visit [www.NAJSTF.org](http://www.NAJSTF.org) to register**

## Requirements:

- All submissions must be in a digital format.
- Submissions should be .JPG, .GIF, .TIF, or .PNG formats only.
- Submissions only need to include the artwork; Technology Fair information will be added later when producing the poster and T-shirt.
- Images should be 18 inches on a side. (At 72 DPI - dots per inch - resolution, that equals an image with dimensions of 1296 x 1296)
- Submissions should be visually eye-catching, and be related in some way to technology other than having been created with a digital image program.
- All artwork should be original - portions of the artwork may be borrowed from other sources, but the overall submission should be unique to the artist.
- Any submissions which include other artwork should indicate where that artwork came from.
- Variations on previous winning entries are not eligible.

## Submitting Entries

- All entries must be emailed to [poster@najstf.org](mailto:poster@najstf.org) before 3 PM on November 23, 2010.
- If your submission includes other artwork that you have used (in part or completely), also include in your email where you obtained that artwork.
- **Winners will be contacted by November 29, 2010**
